Mike-

I'm writing you in my capacity as a the vice president of the Pbid. I'm not sure if you are aware that there is a ship coming into town on April 14th who will disembark 3000 Chinese tourist at 8am and needs them back at 12 noon. As you know we have enough seats in the immediate area to serve at most a couple hundred people breakfast.

Due to the quality of your operation, it's size and the fact that you are in a reasonable walking distance I thought you could show these tourist and the cruise operator that SP is a great Port O' Call [no pun intended...]. Would you consider opening up the Fish Market at that hour? Let's talk if you have any questions and I will put you in touch with the folks at the Pbid to work the details out.
